

# LASER BAR RGB LS-608 RGB

## Control

DMX Channel: 5/20 channels  
Control mode: DMX, Auto Play  
Firmware Upgrade: Update via DMX link

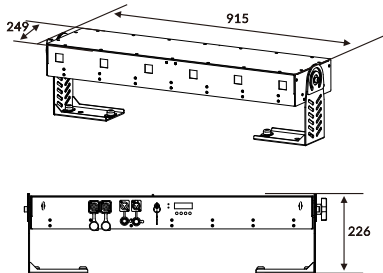

## Construction

Display: OLED display  
Data In/Out: 3-pin XLR  
Power In/Out: PowerCon in/out  
Protection Rating: IP23

## Electrical and Physical

Power Voltage: AC100~240V, 50/60Hz  
Power Consumption: 105W  
Dimensions(mm): 915x249x226mm,13.8kg  
Dimensions(in): 36.0"x9.8"x8.8" in, 30.4lbs

## Dimensions(mm)

## Specifications

Light Source: 6 x 1W RGB Semi-conductor laser light  
Effects: 6 beams of parallel light, the R/G/B mixed into different colors of light beam, clear light, high straightness, built-in laser show
